

Acoustic Absorption Products

Features

Acoustic Absorption Properties

Better performance at high frequency range

Wide Range of Thickness

Available in 2mm ~ 10mm*

Halogen-free

Environment-friendly

UL94 HF-1 Listed

FUY-51 @ 2mm

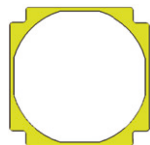

*Available in choosing every 1mm thickness

Applications

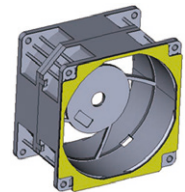

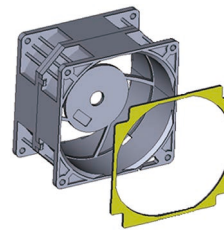

Noise reduction for a cooling fan

Large format sheet

Diecut to a shape

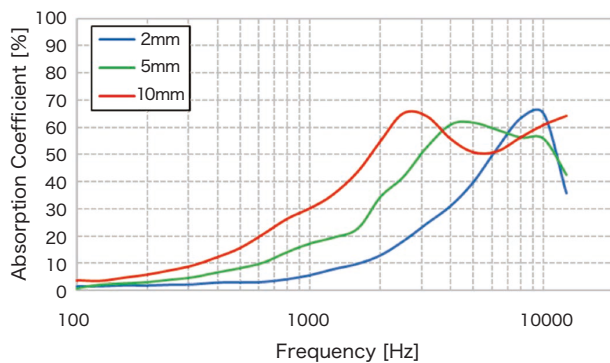

For a noise reduction solution for a cooling fan etc.

Characteristics

Specifications	Unit	General Purpose Grade	Flame Retardant Grade
		FUY-50	FUY-51
Color	—	Black	Yellow
Density	kg/m ³	80	65
Flame Retardance	UL94	—	HF-1 2.0mm
Halogen Content		None	None
